This car has been inspected by Florida Mustang and is collector quality.

Read owner's description.....

8000 mile Dark Highland Green 2001 BULLITT Mustang GT. The BULLITT was inspired by the 1968 Mustang fastback driven through the streets of San Francisco by Steve McQueen in the movie BULLITT. The 2001 BULLITT has a 265 horsepower 4.6-litre V-8 and a Tremec 3650 five speed manual transmission. This car is stock other than an off road H-pipe and Diablo sport tune. The Diablo tuner and stock H-pipe comes with the car. Special exterior BULLITT features include unique body scoops, aluminum fuel door, and large four-wheel disc brakes with red-painted brake calipers. The BULLITT was the first Mustang to have the unique five spoke BULLITT wheels. The interior is dark charcoal with retro stitched leather seats, retro-styled instrument cluster, BULLITT door sills, aluminum shifter bezel, shifter ball, clutch, brake and accelerator pedals. This car has been garage kept and is a sunny day driver that is stored winters in a heated garage. The car has all the available BULLITT options which include the six disc MACH 460 Audio System. The car looks, smells and drives like new. This is number 2402 of only 3041 Dark Highland Green BULLITTs built.
